

Book-in-a-Box

1. Trace the bottom of the box on one end of the paper strip.
2. Make nine more side-by-side tracings so that you'll have a long strip with ten sections.
3. Cut out this paper strip.
4. Leave the first section of the strip blank. Write the title and author of your book on the second section.
5. In sections 3–9, illustrate seven important events from your book in order. Leave the last section blank.
6. On the opposite side of each illustration, write a sentence or two describing the event you illustrated.
7. Accordion-fold the strip. (Trim the strip a little, if necessary, to make sure that it will fit in the box.)
8. Write the title and author of your book on the box lid. Decorate the box.
9. Glue the first section of the paper strip to the inside of the box lid. Glue the last section to the bottom of the box.
10. Hold the lid above the box. Slowly re-fold the paper strip until it is entirely inside the box. Then cover the box with its lid.
