that is a dud:

# Chapter 6: Summer Days

## Sequence of Events

Put the events below in order.

Number	Events
	Tempelton takes the egg that is a dud.
	Charlotte offers her congratulations to the goose and the gander.
	School ends, and Fern visits the farm almost every day.
	The seven goose eggs hatch in early summer.
	Mr. Zuckerman spies the seven baby goslings.
	The goose heard the goslings calling to her in their eggs before they hatched.
